

**OLD FORT PARKER PATRIOTS  
2018 BUFFALO PROGRAM  
CLEAN MATCH FUN AND RECOGNITION**  
Club members only

### **Clean Match Awards**

- Starting at the January 2018 match, each member's first clean match of the year receives a WHITE BUFFALO trophy which will be kept in the display case in the Visitor Center.
- Subsequent clean matches will be awarded the OFP bronze medal. The medal is inserted in the White Buffalo trophy base.
- At year end, each member takes home their buffalo adorned with medals.

### **The ROAMING BUFFALO**

- After Sunday shooting at each monthly match, the privilege of "roaming with the buffalo" will be awarded by a drawing of all members with clean matches for the weekend. The ROAMING BUFFALO trophy will actually reside in the display case at the Visitor Center.
- The winner of the drawing will report the following month the matches in which he/she participated, and an estimated total mileage will be logged for that member. At that time, the "roaming" privilege will be re-awarded by a new drawing
- At year end, the ROAMING BUFFALO will go home with the member who logged the most total miles during their month(s) with the buffalo. A tie will be broken by a drawing.

### **The YEAR END CLEAN MATCH WHITE BUFFALO**

- At year end, the member with the most **Clean Matches** during the year will be awarded a special White Buffalo trophy.
- A tie will be broken by summing the total time of the member's OFPP matches shot clean. The fastest total time will be the winner.
